I am a graphic design lead with experience in print and web design. I have experience in branding, marketing, and website management through applications such as Adobe, InDesign, Illustrator, Photoshop, Dreamweaver and more. I have exceptional interpersonal skills with team members and accomplished communication skills with clients through design and understanding. I am looking for a position in a company that has opportunity of growth as a designer and challenges me. Ewald Consulting seems like a great fit for me. I can see this position teaching me a lot and me bringing my experience to contribute early. I am a fast learner and eager to contribute. Please reach out with any questions you may have.
